DVC Foundation embarked on a heartwarming visit to the Katalemwa Cheshire Home for Disabilities, a facility dedicated to providing comprehensive rehabilitation services to children with disabilities. This visit was spearheaded by the Coo Rtn Henry Magandazi, and it turned out to be an extraordinary experience filled with love and compassion.

Katalemwa Cheshire Home for Disabilities

Katalemwa Cheshire Home is renowned for its commitment to improving the quality of life for children with disabilities. The facility offers a range of services, including medical care, physiotherapy, occupational therapy, and educational support. It serves as a beacon of hope for many families, providing essential services that help children lead more fulfilling lives.

The Visit

DVC Foundation, led by Rtn Henry Magandazi, organized a visit to Katalemwa Cheshire Home as part of our community outreach activities. The visit was a testament to the DVC Foundation's dedication to making a positive impact in the community. The team spent quality time with the children, engaging in various activities that brought smiles to their faces. The children felt the warmth and love of the Foundation, creating a memorable and joyous atmosphere.

Observations and Future Support

During the visit, the team members observed that the facility requires additional support to continue its noble mission. The children at Katalemwa Cheshire Home need more resources, not only for their daily needs but also for the renovation of certain areas within the facility. Recognizing this, Country Director, Rtn Yusuf Ali made a heartfelt call to action, urging different Organisations, private entities, and individuals to come forward and support the facility. The Dvc Foundation is committed to rallying support to children with disability through "**AM JUST A CHILD Program**" to ensure that Katalemwa Cheshire Home can continue to provide its invaluable services to children with disabilities.

Conclusion

The visit to Katalemwa Cheshire Home for Disabilities by DVC Foundation was a remarkable event that highlighted the DVC Foundation's dedication to community service. It underscored the importance of supporting facilities that cater to vulnerable children and called upon the broader community to join hands in this noble cause. We remains steadfast in our mission to make a difference, one act of kindness at a time.
